REBUILDING FAITH!

We're collecting donations to help Faith Lutheran Church of Cambridge MA rebuild after their sanctuary building was lost to arson in a devastating fire.

Please take a building block bank, and from now until the picnic, fill it up with any spare cash and checks* you can! Find a couple extra bucks in your pocket? Throw 'em in. Got your checkbook out to do your bills? Write one more check. Found a crumpled dollar bill under the couch cushions? ...

Bring your bank to the church picnic on August 23rd. We'll gather them all together, bless them in worship, and send the funds to Faith to help them build their new church home. Please give as you are able.

For more info about the fire and the Faith rebuild, please visit their website at <https://faithcambridge.org> and follow the REBUILD link.

*Please make checks out to Grace Lutheran Church. Note: "Faith Rebuild."

THANK YOU!
